CREATE CHANGE

Workshop: Inspiring collaboration across institutional boundaries to enhance the student experience

Yvonne Oberhollenzer

Faculty of Humanities and Social Sciences

Tertiary Education Management Conference | 1 October 2019

Transforming the higher education experience

Game-changing graduates

Student centred flexibility

An integrated learning environment

Dynamic people and partnerships

student-strategy.uq.edu.au

Andres' story

Co-curricular

- HASS Volunteer Program
- HASS Connect Mentoring Program
- HASS Leadership Program
- Globetrotters Grant

Curricular

- Sociology Career Workshop
- PHSS2000: Practical Employability Experience

“The (conference) not only filled me with inspiration to work on improving my community back in Colombia but it also filled me with joy in seeing how inspired other delegates were!”

Challenges

What is the most challenging aspect of collaborating with others to enhance the student experience?

- Encouraging staff to change their way of doing things
- Working in partnership with students
- Connecting with alumni and industry partners
- Measuring and evaluating the outcomes of collaboration
- Dealing with structural or institutional barriers

Go to **slido.com**
Enter code: **TEMC**

Strategies

Do this:

- 2 discussion rounds, 10 minutes per discussion, 4 people per group, write summary on padlet

Answer this question:

- What strategies have worked for you when addressing this challenge?

We are looking for practical ideas that we can action when we leave this conference!

Go to
**padlet/studentfutures
/temc**
Enter code: **TEMC**

Wrap up

- Systematic integration of student-staff partnerships within all activities
- Co-supervision and joint projects across university teams
- Embedding formative evaluation as a collaboration tool
- Development of a pipeline of student leaders who will become alumni champions
